How did you hear about the Red Feather Development Group?

What level of construction skills do you have? (Construction skills are not required to become a Red Feather volunteer, but we need to know your level of skill in order to place you accordingly with our project team leader(s). If you have excellent construction skills, we may place you as a team leader.)

To help us better understand the positive as well as the negative aspects of our group, we would be interested to know why (out of all the nonprofit organizations that exist) you chose to volunteer for Red Feather?

If any, what type of volunteer labor have you experienced? Please include the length of your participation.

Please indicate how many week(s) you intend on volunteering: 1 ☐ 2 ☐ 3 ☐ 4 ☐

Please circle the week(s) below that you will be available:
